

## LEGENDA:

- 
- Technical drawing of a road cross-section. The road width is 12.00m, consisting of two 2.00m lanes and two 0.75m shoulders. The drawing shows the road profile, a drainage ditch with a 1:1.5 slope, and various elevation points. A table on the right lists the elevations for points 1 through 8.
- | Point | Elevation |
|-------|-----------|
| 1     | -0.09     |
| 2     | -0.05     |
| 3     | 0.00      |
| 4     | -0.05     |
| 5     | 0.02      |
| 6     | 0.02      |
| 7     | 0.06      |
| 8     | -0.09     |
